### **CREATIVE COLORS INTERNATIONAL 'RESTORES' PUERTO RICO**

*Mobile restoration business saves customers 70-80 percent compared to replacement*

**DORADO, Puerto Rico (July, 2005)** – Creative Colors International (CCI) announces the opening of its newest franchise servicing Puerto Rico, including San Juan, Carolina, Bayamon, Vega Alta, Vega Baja, Toa Baja and Dorado. CCI is a recognized leader in repair, reconditioning and color restoration of leather, vinyl, fabric, plastics and carpeting in the automotive, marine, aviation and furniture industries.

The CCI franchise, based in Dorado, is run by local entrepreneur Mateo Rivera Ramos.

“With all of the success CCI has had in the continental United States, I am excited to be the first to bring its quality products and services to the people and businesses of Puerto Rico,” said Ramos. “Our techniques far surpass industry-set standards and create effective, long-term results.”

CCI’s experienced technicians provide on-site services restoring damaged items to like-new condition including cigarette burns in seats, fading and worn leather, stained carpet and other problem areas at significant cost savings versus replacement.

Each CCI mobile unit is equipped with an air compressor, generator, air hose retractor, heat guns, dyes and other tools needed to provide a variety of repairs to one vehicle or an entire fleet.

Throughout the United States, CCI has made a name for itself in the automotive industry having worked with several dealerships including Ford, GM, Chrysler and Lexus and car rental companies including Avis, Budget and Hertz. In addition to finding a niche in the automotive industry, CCI fills the need for restoration and repair of materials in nearly every business category, ranging from automotive dealerships to marinas and furniture showrooms.
